

List of activities to be performed by the School Authorities

1. Please ensure that the admission data of all students studying in your school is updated in SATS portal and are correct.
2. Please ensure that name of the student as in SATS is updated as per the Aadhaar name of the student.
3. Ensure that students have bank accounts and have seeded their Aadhaar numbers to it.
4. List of students whose Aadhaar is not seeded need to be downloaded from SATS – School login and those students should be guided to get their Aadhaar linked/seeded to bank account.
5. List of students whose Aadhaar is Inactive need to be downloaded from SATS – School login and those students should be guided to get their Aadhaar activated by visiting their nearest Aadhaar Enrolment Centre.
6. Identify students studying in your school (Girls studying between classes 8 to 10) who would be eligible to avail CM Raitha Vidyanidhi (i.e; students belonging to farmers' family) and/or to avail educational assistance provided by the Labour department for children of construction workers and apply for scholarship in SSP on behalf of them.
7. If any student belonging to farmer family who is eligible to avail CM Raitha Vidyanidhi scholarship does not have FRUITS ID, then guide the parent of such students to register in FRUITS portal to get the same.
